The background of the slide is a white field filled with various blue geometric shapes, including triangles and polygons of different sizes and orientations, creating a dynamic, abstract pattern.

The Super Helpers of OWIS Ansa, Akshara and Gamya

Thank you for choosing this book. This is my first book made on a computer. I love to read books and make books. I got the confidence to make this book from the old books that I made with paper. A computer software helped me to draw the comic.

It was so fun to make this, and I hope you have more fun reading this.

Story:

Teamwork wins

A cartoon illustration set at night. An elderly man with white hair, wearing only dark, torn shorts and no shirt, stands on a crosswalk. He is smiling and holding out a small red candy towards a young boy. The boy, who has dark skin and hair, is wearing a white t-shirt, brown shorts, and black shoes. He looks up at the man with a curious expression. A large speech bubble above the man contains the text: "Come with me.. I will take you to your parents.. Also, take this candy..". The background shows a dark blue night sky with a yellow crescent moon and several streetlights. In the distance, there are silhouettes of houses with some windows lit up.

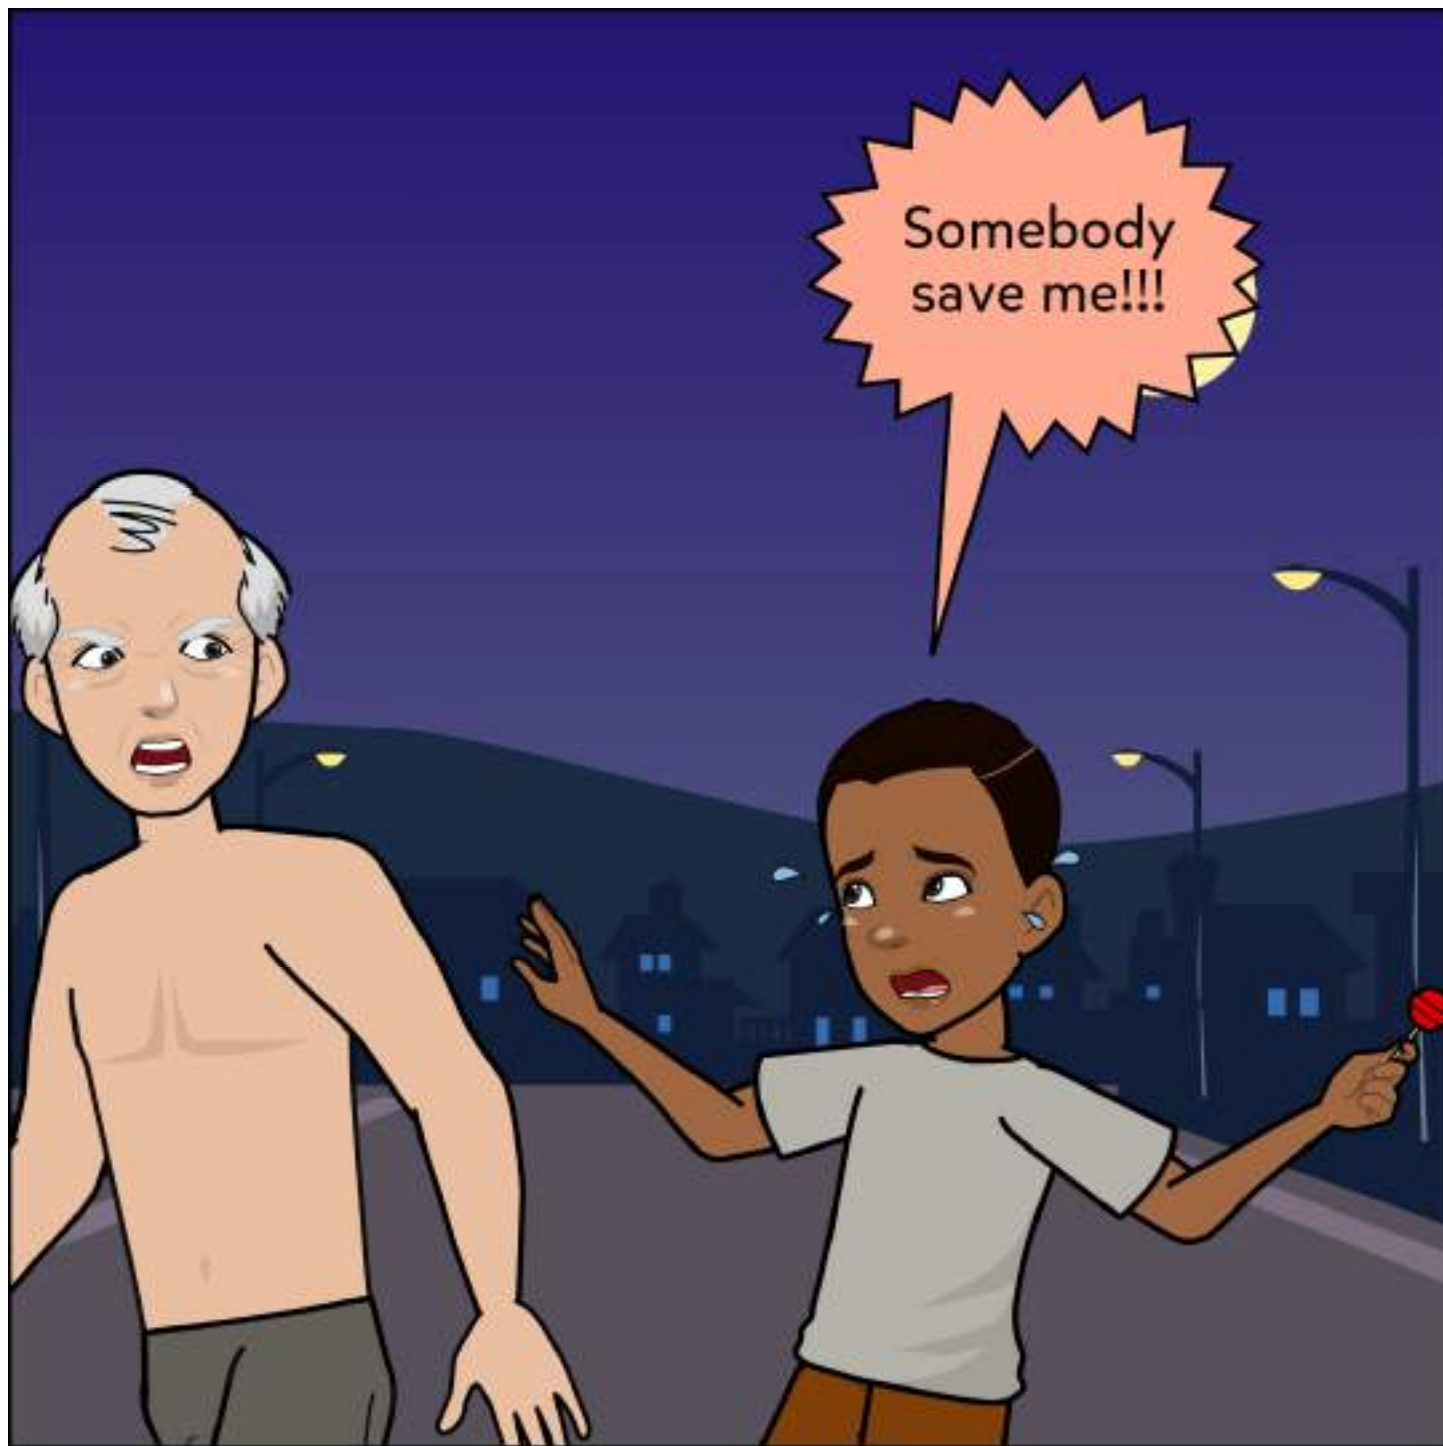

Come with
me.. I will take you
to your parents.. Also,
take this candy..

Come
fast !!

Oh
no ! He is
kidnapping
me.

A comic panel set at night. On the left, a balding man in grey shorts stands on a sidewalk, shouting and pointing his finger. In the center, two girls are walking; one wears a white and black superhero costume with a cape, and the other wears a red superhero costume with a cape. On the right, two boys are walking; one is in a white t-shirt and brown shorts, and the other is in a blue superhero costume with a cape. The background shows a dark blue night sky with a crescent moon, a street lamp, and distant city lights.
