# **The Super Helpers of OWIS**

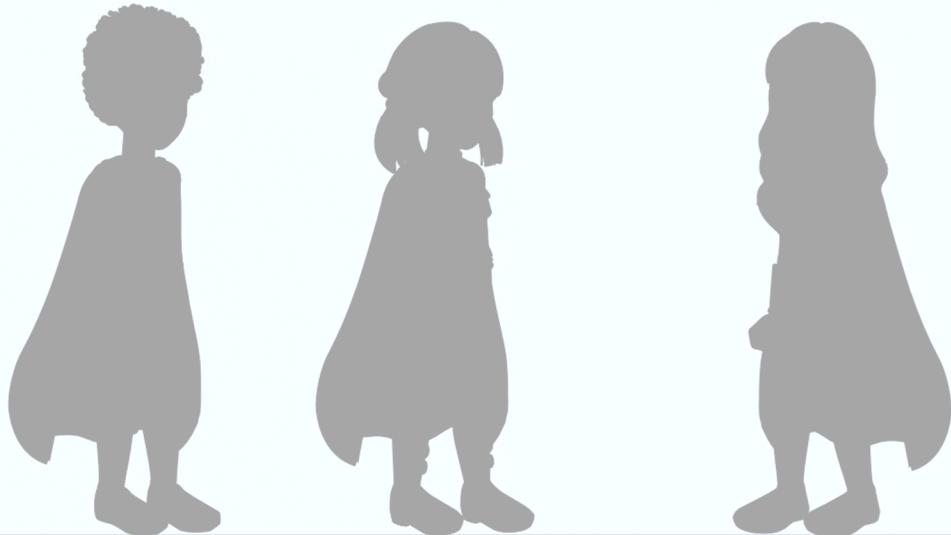

## **Ansa, Akshara and Gamyा**

Thank you for choosing this book. This is my first book made on a computer. I love to read books and make books. I got the confidence to make this book from the old books that I made with paper. A computer software helped me to draw the comic.

It was so fun to make this, and I hope you have more fun reading this.

# Chapter 1: Ansa

A boy with dark hair and a red shirt with white polka dots is running on a sandy beach towards the right. He has his arms outstretched. In the background, there is a large grey mountain and two white clouds. The sky is blue at the top and渐变 (gradually changing) to yellow and orange near the horizon. Two palm trees are visible at the top of the frame. A speech bubble originates from the boy's head, containing the text "Yay, I am having fun!".

Yay,  
I am having  
fun!

HELP  
HELP!

A superhero boy with dark skin and curly hair, wearing a blue suit with a silver emblem on the chest and a flowing blue cape, is flying over a body of water. He is reaching out his right hand to help a smaller boy who is drowning. The boy being rescued has brown hair and is wearing a red shirt with white polka dots and dark pants. In the background, there are palm trees at the top of a cliff, a large grey mountain on the left, and a small wooden dock on the right. The sky is blue with white clouds. A speech bubble above the superhero contains the text "Here you go."

Here  
you go.

Thanks  
so much,  
Ansa

Happy  
to help, my  
friend!

## Chapter 2: Akshara

Nice  
fruit, Let me  
get that !!

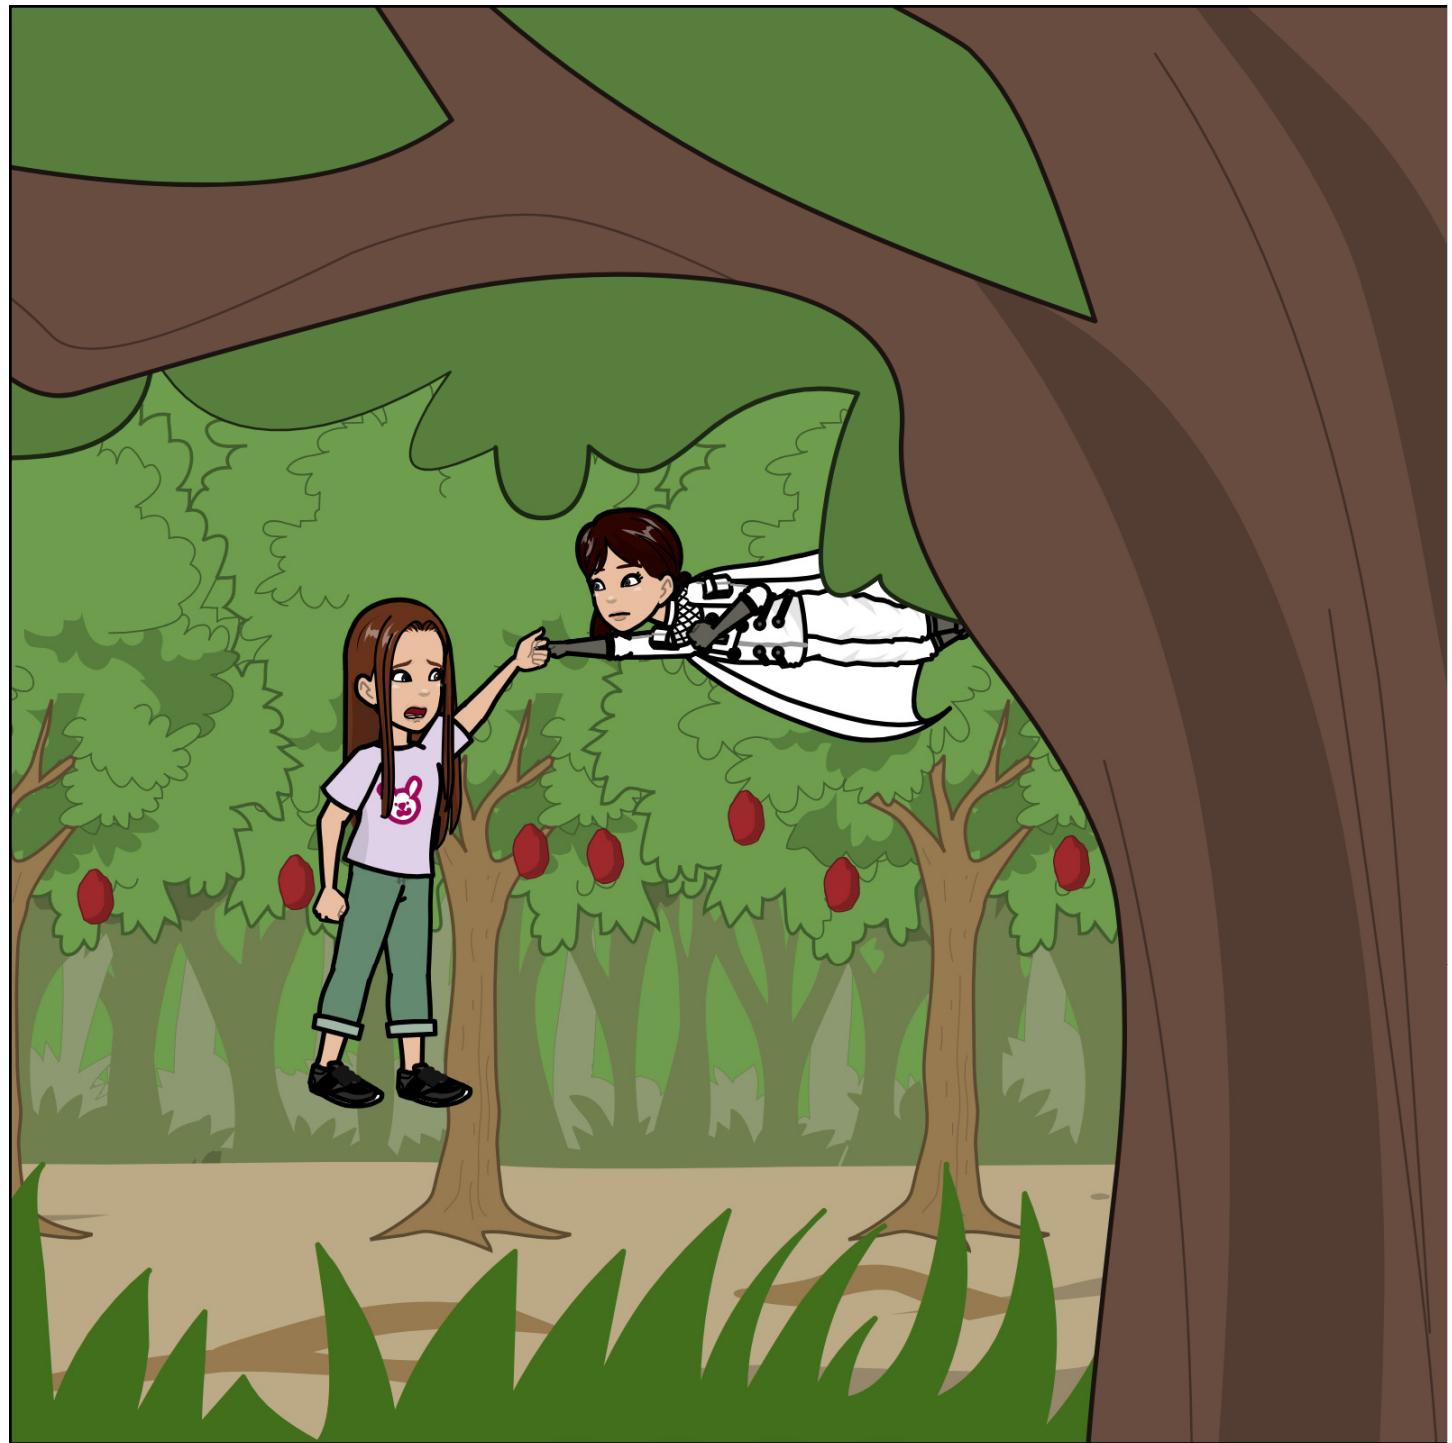

A cartoon illustration of a girl with brown hair and a white t-shirt with a pink logo, running through a dense green forest. A large, dark brown hand with sharp, jagged fingernails is reaching down from above, clutching the girl's arm. A pink speech bubble with a jagged edge contains the text "Help me. Help me. Help". The background shows more trees and foliage.

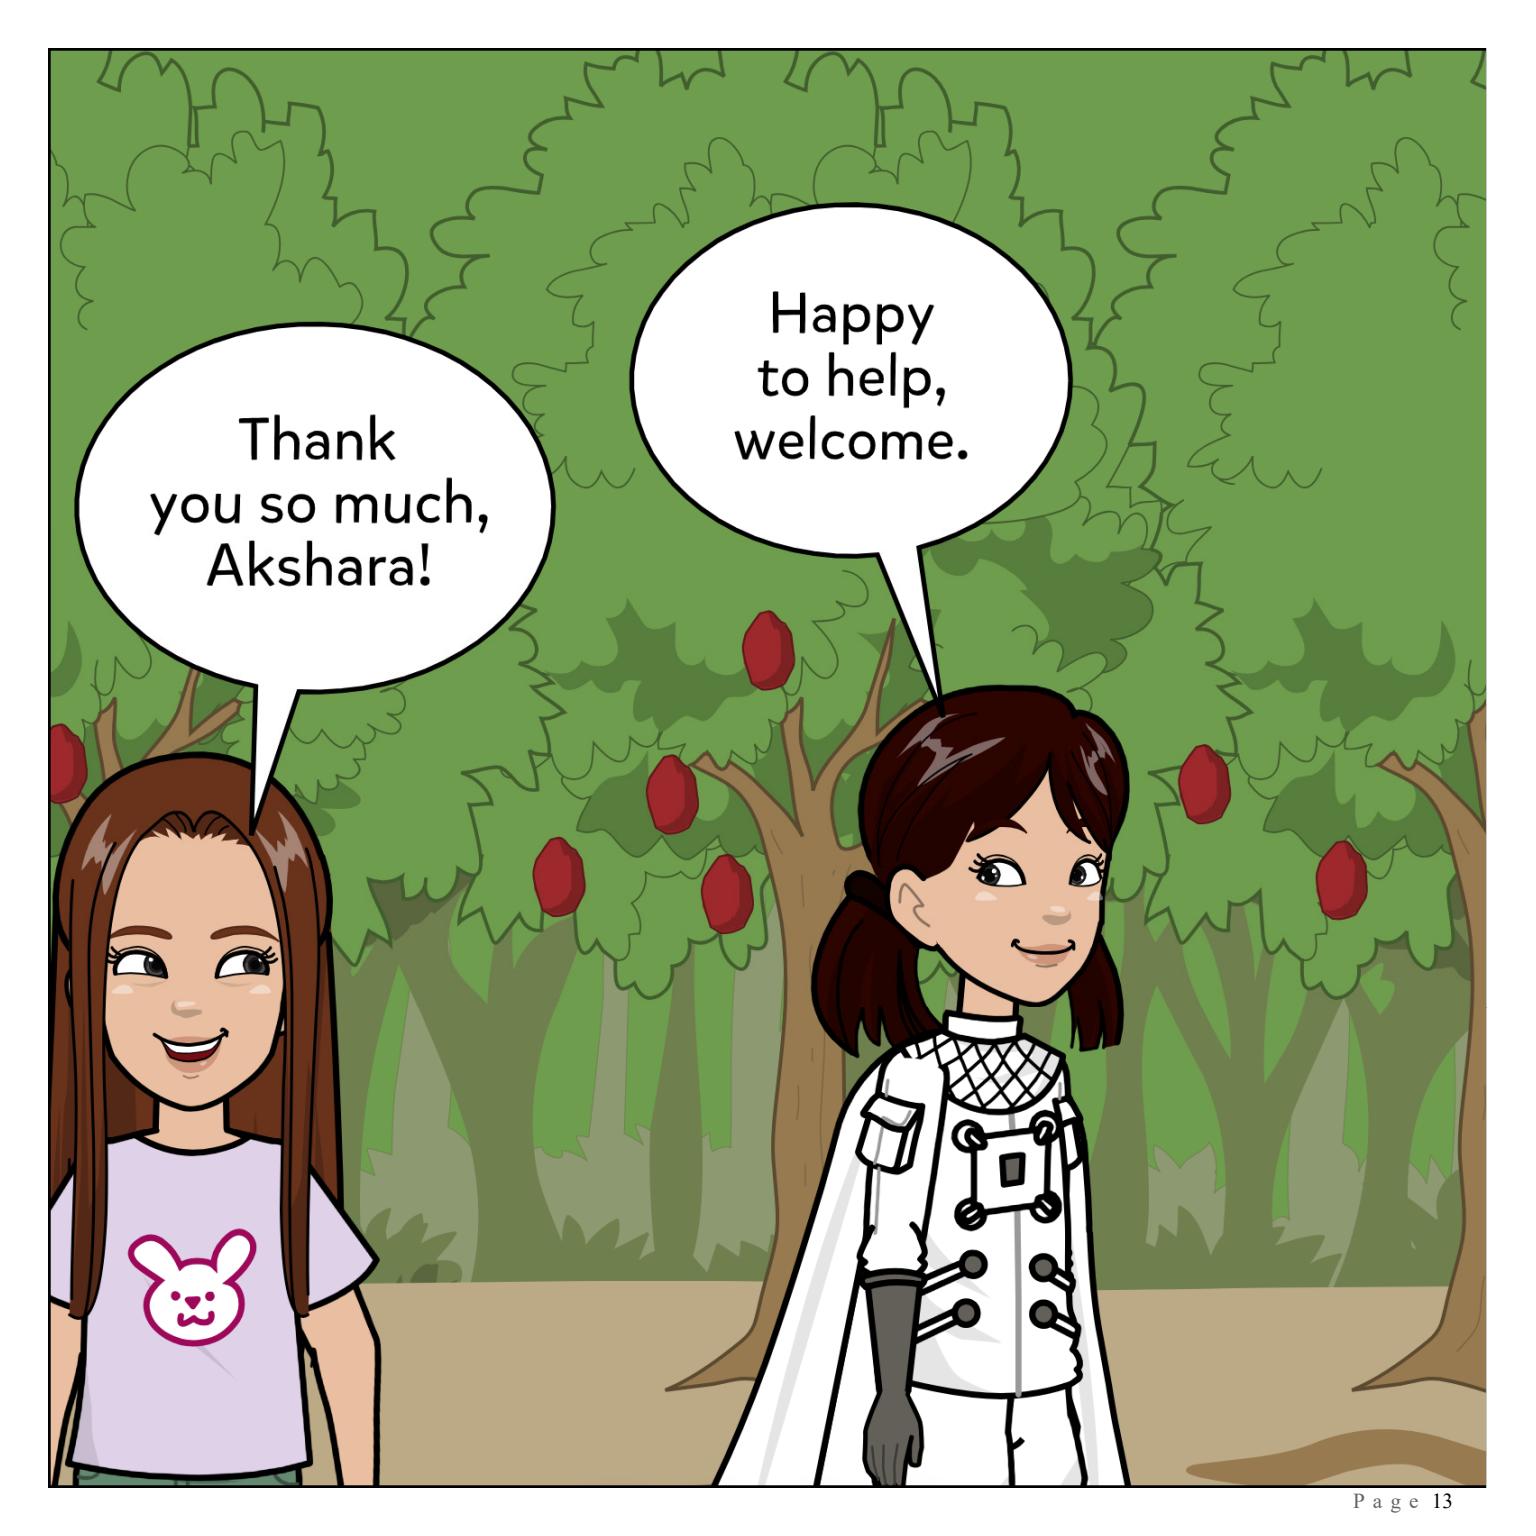

Help  
me. Help  
me. Help

A cartoon illustration depicting a scene of distress in a forest. A young girl with long brown hair, wearing a white t-shirt with a pink bunny logo and light blue jeans, is shown falling or being thrown through the air. She has a shocked expression on her face. In the foreground, another woman with dark hair tied back, wearing a white jacket with black skull patches and black pants, is in a dynamic pose, seemingly having just thrown the girl. The background consists of green trees with red fruit hanging from them. A large, jagged orange speech bubble originates from behind the second woman, containing the text "Help me. Help me. Help". The overall style is colorful and typical of children's storybook illustrations.

Help  
me. Help  
me. Help

Thank  
you so much,  
Akshara!

Happy  
to help,  
welcome.

Next to him is a girl with dark brown hair in a braid, wearing a white sleeveless dress with a ruffled hem. To the right, a superhero with dark brown hair tied back, wearing a red and black suit with a flowing red cape, runs forward. Above them, a large speech bubble contains the text.

# Story: Sharing Emotions

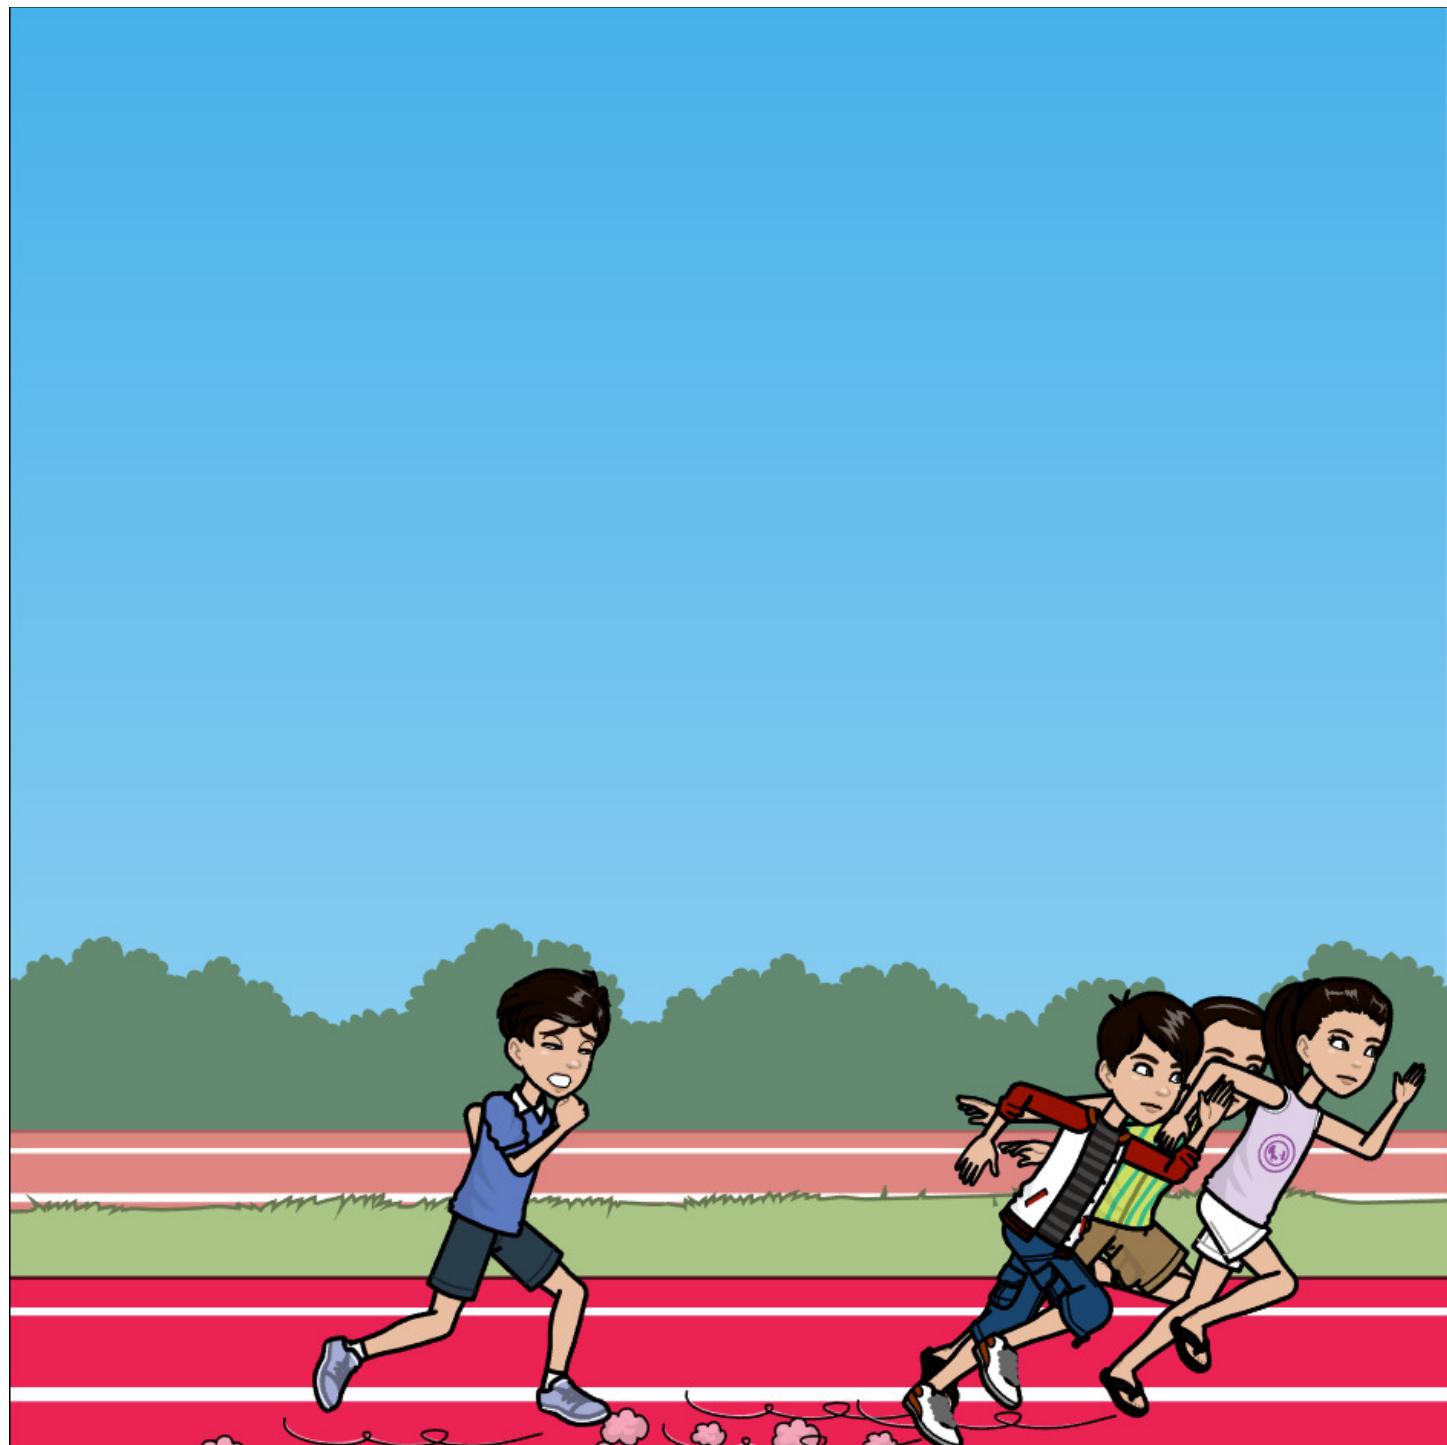

Yippie!!  
I have a running  
race today. I'm going  
to come first.

One hour later, the race begins.

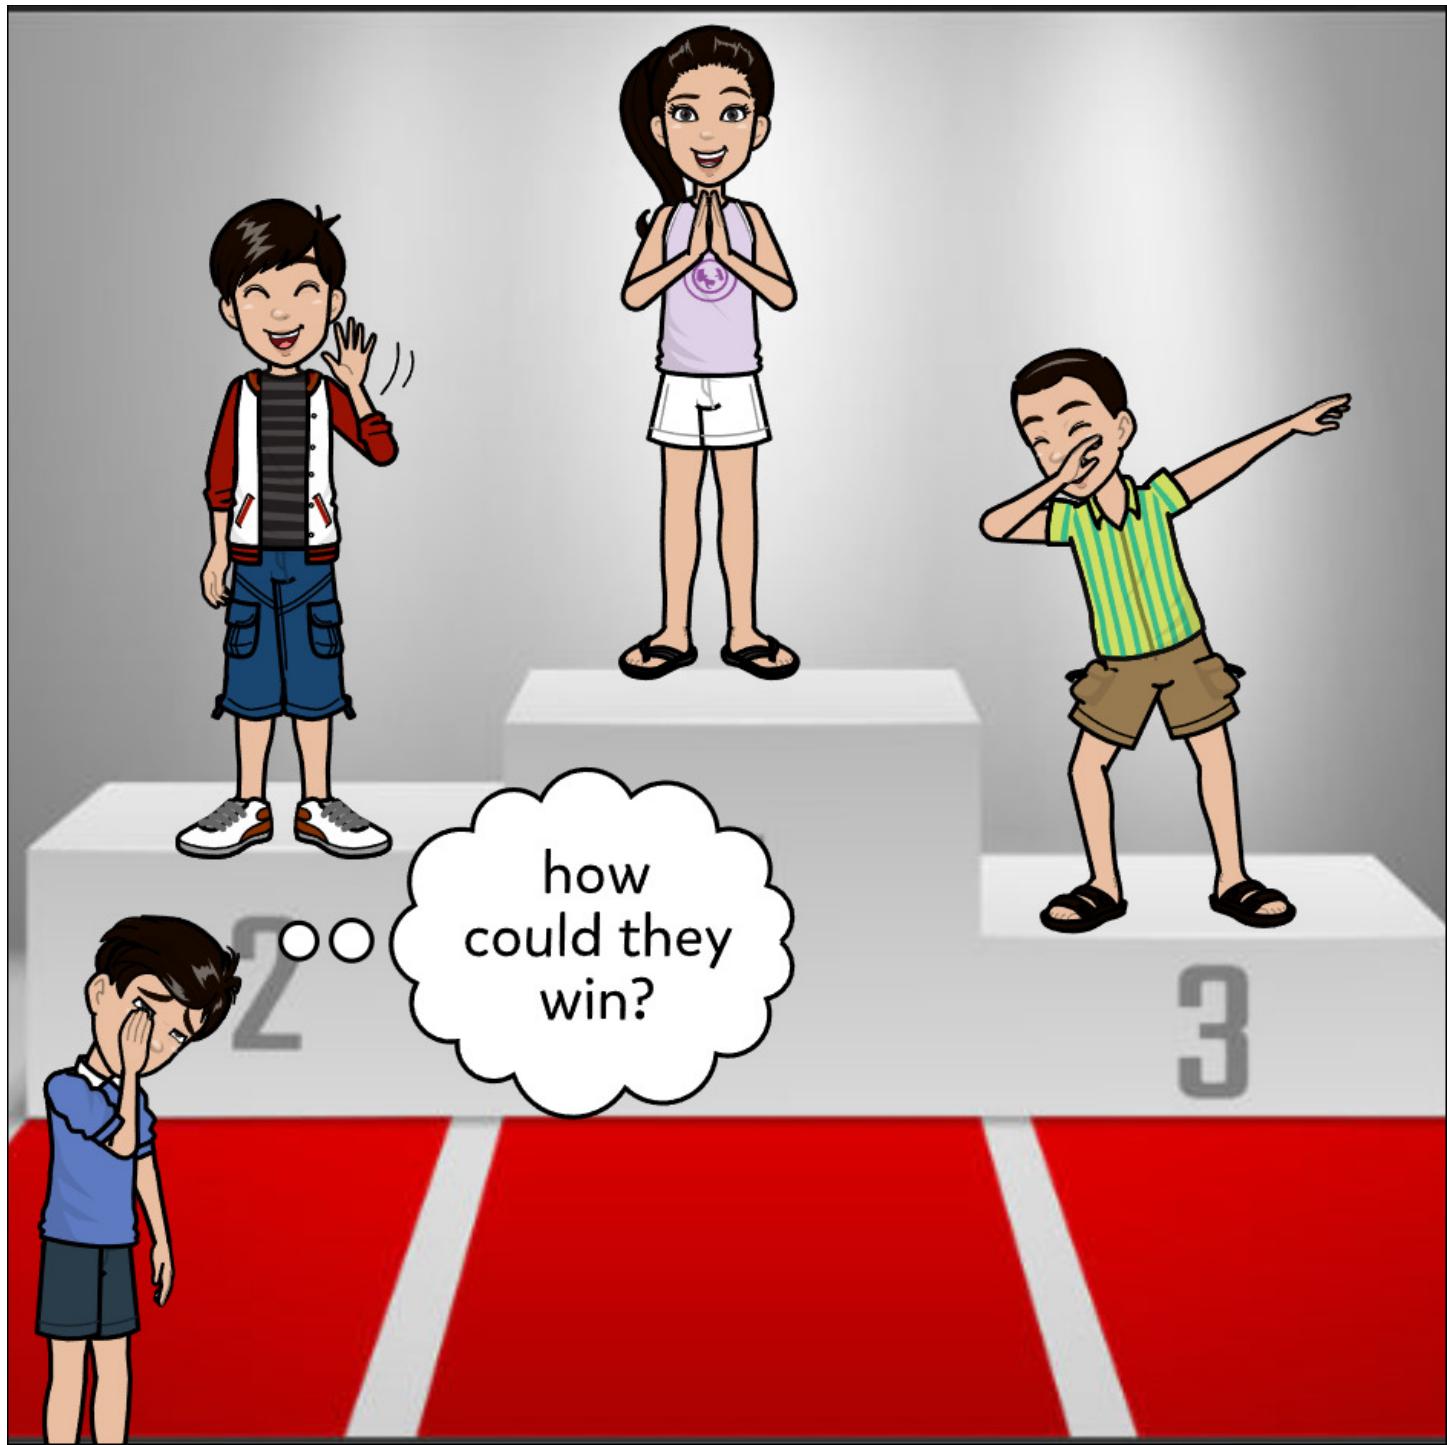

Yes.

We  
did it.

The  
hard work  
paid off.

Next day

Hey,  
let's play!

No  
thanks.

Do not  
hide yourself  
when you are sad.  
Express your  
feelings.

Ok Ansa. I  
am sad because I  
lost a race. I don't want  
to talk to anybody.

You must practice a lot to win. Talk with your friends, play and practice.

Ok,  
I will try. Can  
you also  
come?

Ok.

Can I  
join your  
game?

Let's  
all play  
together.

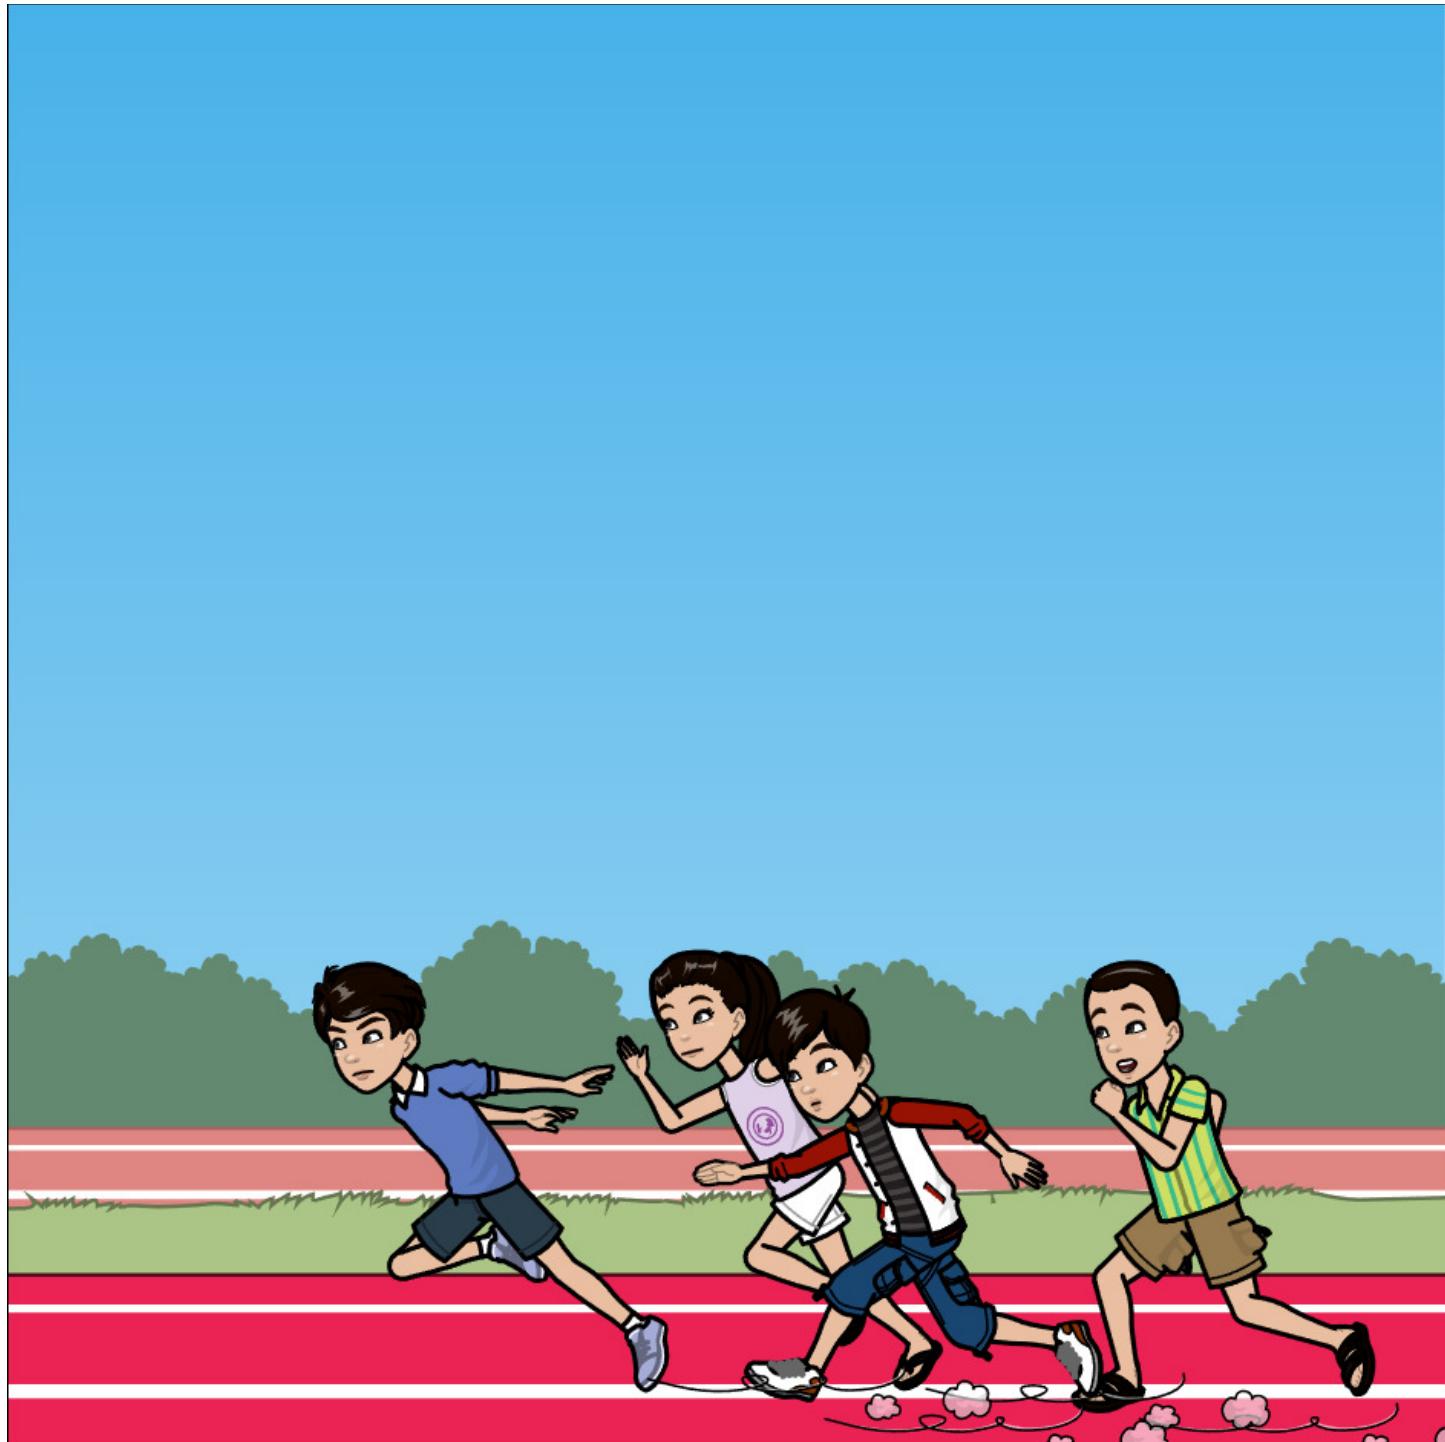

This  
is super  
fun!

They practiced until the next race.

the next race starts.

Never  
lose hope and  
don't feel lonely.  
Share with  
friends.

This is a holiday project for Ansa to put her ideas to paper. She wishes to make more books such as this which may teach and inspire small kids.
